I understood Bessie to be home this weekend, and then return to Windowrock to be a water rep. if that changed please let me know.

Hi all,

Bessies name came up as a potential candidate for either a Liason or a resources unit leader for the Farmington ICP.

Since she is already in NN and their need sounds immediate can we discuss how to fill the staffing needs with the resources we have on the AC 11 am tomorrow?

I am also available to discuss it anytime b4 then at 4158166586.

Thanks

Kathryn Lawrence

Luis,

Yes and yes.

The Water SME team leader needs to be on 10 o'clock call and

we definitely have a need for Bessie to help with the Resource Unit Leader position next week.
Let her know to connect with Tana and Abi.

Thank you!!

For Souder it would be beneficial to make sure we have continued support for the 1000 call.

Not necessary for the Gold King schedule, but is it possible to give us the number of someone if there is an urgent request or need?

Hi All,

First, do you see the need for Water Division to be involved in the calls over the weekend?

Second, Bessie Lee has expressed interest in serving in the resource unit next week. Is this assistance an expressed need?

Thanks,

-Luis
